

St. Robert Parish Prayer for Renewal

Loving God, as our parish seeks to renew ourselves,
we approach you with gratitude and excitement
for what lies ahead.

All we have are gifts from you. Make us generous and
intentional stewards of what you have entrusted to us.
Empower us to use Your blessings, in Your way, for Your glory.

Engage our hearts and minds to hear your voice, to see you, to
touch you – as we humbly ask, “Why have you put us here?”

Discerning your response, let us embrace more fully the
Great Commission of your Son to “Go and make disciples” –
mindful that our faith should be focused on leading others to You.

In this time of renewal and transformation, help us to be
appreciative of our differences but always united in mission.

We ask this with an assurance of whose we are
and in whose image we are made. Through Christ our Lord.
Amen.
